

I am furious that Sinclair Broadcasting is forcing their stations to air an anti-Kerry documentary days before the election.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. When large companies like Sinclair control the airwaves, it is a grave danger to our democracy. This action on the part of Sinclair should be stopped right now.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
